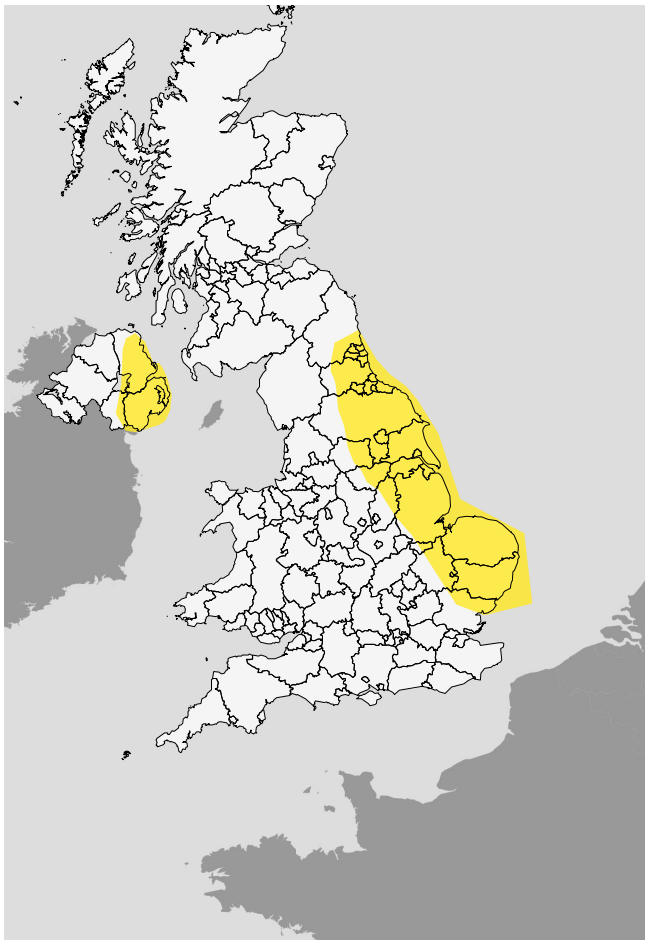
Yellow warning
Thunderstorm

Between
14:00 Fri 10 Sep 2021 and
20:00 Fri 10 Sep 2021



Most areas escaping the worst, but a few heavy showers and thunderstorms may lead to localised travel disruption and flooding today.

What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater or lightning strikes

Further details

Heavy showers and thunderstorms are likely to develop in a number of areas, but the focus will be across parts of eastern England and perhaps the east of Northern Ireland this afternoon and early evening. A few places could see 20-30 mm of rain within about an hour, with lightning and hail also possible.
